## February 2017

Last month, I wrote about taking the time to stop and “give thanks” for those who make things happen around St. John’s. I would like to start the ball rolling by taking this moment to thank St. John’s on my behalf. In my annual contract, there is a section that says I have up to two weeks per year for continuing education. This is not exactly the norm for most UCC ministerial contracts. In fact, a great number of churches have done away with continuing education as a whole. (And a great number of pastors have quit engaging it as well!) Personally, I am so very grateful that St. John’s is not one of those churches.

As a number of you reading this will know, I spend my continuing education weeks taking part in the Next Generation Leadership Initiative that is sponsored by the UCC’s Pension Board. This program provides four years of in-depth classroom (graduate level) training, participation in two general synods, 360 degree feedback evaluation, and a host of other leadership development opportunities. Moreover, after classroom experience, the program provides a funded period of six years to engage further education as each minister sees fit. Some folks complete another degree, others take advanced seminars, but all walk away far more knowledgeable than when they started.

In January, I completed my first classroom session with NGLI. The course was over “Family Systems Theory” and the psycho-analytical principles of Murray Bowen and others. To make a long story short, it was a very intense, though very life-giving, week. While I definitely enjoyed a wee bit of warmer weather—as the class was in Phoenix

AZ—it certainly was anything but a vacation. More than simply a mind mash, this course provided great insight into leading diverse people and providing “non-anxious” leadership in trying times. (All things that I was happy to share with council upon my return.) This summer, I’ll journey to Baltimore to take part in the church’s general synod and I’m sure I’ll return with even more to share.

So thank you St. John’s, I hope that your care for me will in-turn reap benefits for us all!

## **President's report:**

I am decidedly encouraged by the lengthening days. Yippee! I am also encouraged by the enthusiasm that members of St. John's are showing for our impromptu sweater drive. Please donate turtlenecks and sweaters (women's or men's) to our commemorative drive (preferably) during the first 2 weeks of February. There will be a decorated box in Fellowship Hall to accept your sweaters. All donations will go to charity.

Thank you for your support!

Judy Humphrys

President

## **WORSHIP**

Accessories, a dolly, humidifier and cover, for the grand piano have been ordered and should be here February 1. Almost all costs were covered by donations. Stivers sponsorships are welcome. Funds will cover the program through the end of the school year (May). Thank you to all who have and are contributing. A 'thank you' too for those persons who provide the altar flowers during the year. We have made an effort to take unclaimed flowers, those arrangements placed by the church, to shut-ins or other individuals who might be observing a special occasion in their lives. If you know of anyone, please talk to a member of the Worship committee that morning.

March 1 is Ash Wednesday. Plans are being made for the season of Lent. Look for announcements of special services, activities. Holy Week begins with Palm Sunday April 9, Maundy Thursday April 13, Good Friday April 14 and Easter April 16.

Has asked, if we would like to sponsor a Leader Board for their Auction.

Others that we have sponsored are: WYSO (TBD) & WDPR (March 20-25).

These sponsorships provide publicity for St. John's.

Please contact me, if you would like to participate.

Members of the congregation make this happen.

We do not request funds from the church.

## STIVERS PROGRAM

If you have been in church for the last year, you are aware of the regular Sunday participation in our choir by two Stivers High School students Logan Van Bibber and Camryn Snapp. The program began in January 2016 when funding was provided by donations from several of our church families through May. Parking Ministry provided funding for October through early February 2017. Those of our members who have a particular interest in music, our choir or further funding of our student participants are encouraged to become supporters of the program. Envelopes marked 'Stivers Sponsor' are available on the table in the narthex for you to pick up. Gifts may be 'in honor of', 'memory of', 'sponsor', etc. Each student is here Sunday 9:30 through 1:00. That's two rehearsals and one worship service and each receives \$40 per Sunday. \$80 per Sunday or \$320

per month for both students on a 4 Sunday month with perfect attendance. We are not suggesting amounts; the figures are to let you know what the program requires. Any amount will certainly be appreciated. Some contributions have already been received.

Our Worship staff and committee believe this to be a valuable program for both St. John's and the young people. The choir has the support of trained voices while our students receive experience working with a choir in a religious setting, exposure to sacred music. learning to direct and lead a choir all with direction from a professional musician. Not to forget, we see this as another effort of St. John's to establish contact within our local community.

## **Budget & Finance**

Being the new Chair of the Budget and Finance Committee it is my goal to work with the committee to serve the best interests of the congregation.

Chair: Patty Staley  
Vice Chair: To be confirmed at February Meeting  
Secretary: Dee Goudy  
Members: Patsy Goin  
Debbie Watts  
Ron Duckson

Due to computer issues the Treasurer's Report was not available to the committee but will be addressed at the February committee meeting along with the January report. The Treasurer, Jeff Gerrior did report that it was anticipated the numbers would be more favorable than anticipated but primarily due to the organ repair donations for the year. I hope to be able to provide you with actual figures with next month's report and all future reports.

The committee will be working to set goals both as individual committee members and for the committee as a whole. As Chair, one of my individual goals is to attend each of the standing committees meetings at least twice during the year so that I can better understand their goals and requests.

We will begin work on preparing the stewardship program for this year.

I invite you, the members of the congregation, to feel free to let me know of anything you feel the committee should address or any concerns that you might have as well as your ideas on stewardship. Our next meeting will be February 5th at 9:15 am.

Respectfully,

*Patty Staley*

## **SPIRIT(S) BAR CHURCH**

A great number of you have asked questions about the progress of our outreach ministry at MJ's on Jefferson. I am very pleased to write that we are having a great impact and are drawing a very regular crowd of approximately 30 persons to each gathering we have. As I've mentioned before, we've patterned this ministry to be "church for those who don't want to go to church." We sing the same songs, say prayers, have a sermon, and even share in holy communion with one another. The only difference is that we do it in a bar in the afternoon and not in a sanctuary on a Sunday morning. While the outreach is meant for those outside of St. John's, folks from the "mother church" are always welcome to join in at 2pm on the first Sunday of the month. If you have any questions, please see myself, John Webb, or Pastor Jeff Campbell.

~Rev. Dr. Adam

Ps: We had our first new members at St. John's (Tim and Lenny!!!) who found us from Spirit(s)!!! Wahoo!!! :)

## **JEREMIAH'S LETTER'S FOOD PANTRY**

As we begin the new year we do want to inform you that donations of non-perishable food, health aid supplies and household supplies will be accepted on a continual basis. When there are enough items in the grocery cart we will deliver them to the pantry. Cash donations can still be made by placing them in an envelope marked Food Pantry.

Since our large Thanksgiving donations in November the donations have really fallen off. During the month of December and January there were only 3 grocery bags full of items delivered to the pantry. We know you can do better than this. So we ask that you start making your donations as you have in the past. The need is still great and we know you will have a good feeling after donating to know that you have helped a family in need.

Thanks again for your continued support and we challenge you to get the ball rolling again and fill the grocery cart every week.

Norm and Janet Neubauer

To the Congregation of St. John's:

Grace and peace to you! Your recent donation from December 11, 2016 has been received and is greatly appreciated. The staff and volunteers at Jeremiah's Letter are grateful for the continued caring support of St. John's Church. You are making a difference in the lives of the men, women and children we serve.

Through your faithful contributions, we are blessed to provide over 1,500 hot meals and 900 hygiene packages to our neighbors in need each month. Additionally, we assist over 300 families each year to obtain birth certificates and identification for housing, school enrollment, employment and health care.

Your love for Jesus is evidenced through this willingness to contribute in our shared mission of serving those in need. We thank the Lord for each and every one of you!

Again, we thank you on behalf of the 2,500+ individuals we help each year. May the grace and peace of God the Father and our Lord Jesus Christ be with you.

Your brother in Christ,

Pastor Terry O. Bruns  
President

From Rev. Adam...

As most of you who were at the January 22nd and 29th worship services will know, we were blessed to welcome 4 new members in the month of January. As you also will know, I intentionally left these new members' names out of our bulletins for those Sundays. This was not meant as a slight to anyone in particular, but was a "wee nudge" to move a few of us out of our comfort zones so we would have to go up and ask folks for their names. (Yes, I am mean like that...it shouldn't be a shock by this point!)

All the same, I do want to take a moment and recognize each of our new members by name and say just how excited I am for them and for the energy, ideas, hope, and love that they bring to St. John's! We're so glad to have you call this place home with the rest of us!
